

ATHENE M DONALD, FRS

Brief Biography

Present Employment :

1998- Professor of Experimental Physics, Department of Physics, University of Cambridge.
2003- Deputy Head of Department (with special responsibility for Finance and Resources from 2005)

Education :

1971 - 4 Cambridge University, B.A. Natural Sciences (Theoretical Physics) 1st class. Girton College Prize and Graduate Scholarship.
1974 - 7 Cambridge University, Ph.D. College graduate scholarship.

Previous employment:

1977 - 81 Cornell University (Department of Materials Science and Engineering), Postdoctoral associate.
1981 - 3 SERC Fellowship held at the Department of Metallurgy and Materials Science, Cambridge University.
1983 - 5 Royal Society 1983 Research Fellowship held at the Cavendish Laboratory, Cambridge.
1985 - 95 Lecturer in the Department of Physics, University of Cambridge.
1995- 8 Reader in Experimental Physics, University of Cambridge

Prizes and Awards

1989 Charles Vernon Boys Prize of the Institute of Physics.
1989 Samuel Locker Award in Physics (University of Birmingham; £5000)
1995 Rosenhain Medal and Prize (Institute of Materials)
1999 Elected Fellow of the Royal Society
2003 William Hopkins Prize of the Cambridge Philosophical Society
2005 Mott Medal of the Institute of Physics
2006 Bakerian Prize Lecturer of the Royal Society

Selected National and International Committees and Responsibilities

1994-7 Member of OST Foresight Technology Panel on Food/Drink
1994- Member EPSRC College
1994-6 IOP Schools Lecturer for 1995/6
1999-03 Member Governing Council for BBSRC Institute of Food Research and Science Sub-Committee
1999-02 Member BBSRC Agrifood Committee
2001 Advisor to RAE in Biophysics
2001 Member Research Council Panel for Basic Technology
2001- Member of the Polymer Physics Group Committee of the IOP
2002-4 Member Physics Strategic Advisory Team for the EPSRC
2002 Member Panel to choose new Director of ESPCI, Paris
2002 Member International Jury for the L'Oreal/Unesco Women in Science Awards
2002- Member Scientific Steering Committee for 2nd Target Station at ISIS (CLRC)
2003- 4 Member BBSRC Strategy Board
2003-4 Chair BBSRC Panel on Bioinformatics and E-science
2004- Chair Dorothy Hodgkin Fellowship Committee (Physical Sciences) Royal Society
2004-6 Member Mullard Medal Committee of the Royal Society
2004- Member Scientific Advisory Board for the University of Bristol Physics Department
2004-6 Member Council of the Royal Society
2005- Member RAE 2008 Physics Sub-Panel (UOA 19)
2006-8 Member Royal Society Innovation Panel
2006- 1st Chair of Biological Physics Group of the IOP
2006 - Member International Scientific Committee for ESPCI, Paris
2006 -7 Member Academic Stakeholder Forum for KT Network in Innovative Chemistry (DTI)
2006- Expert Member of Panel for the Chair in Physical Chemistry, Uppsala University
2007 -8 Chair BBSRC review of EBS portfolio
2007- Interim Director of the Physics of Medicine Initiative in Cambridge University
2008 Member Panel L'Oreal For Women In Science Jury

Departmental and University Committees and Responsibilities

1994-	Elector for the Oliver Gatty Studentship in Cambridge University
1999-0	Member University Library Syndicate, and Appointments Sub-Syndicates
1999-	Member University Library Science Subcommittee
2001	General Board member of Computing Faculty Appointments Committee
2002-5	Member Departmental Senior Management Group
2003- 4	Member Faculty Promotions Panel
2003-5	Deputy Head of Department
2004-5	Member General Board Standard Review Committee of Department of Materials Science
2004	Elector to the 1875 Chair of Engineering, University of Cambridge
2004	Elector to the Schlumberger Professorship of Complex Physical Systems, University of Cambridge
2004-	Theme leader for Biophysics in the Cavendish –KAIST (Korean) collaboration
2004-	Elector to the Herschel Smith Professorship of Physics, University of Cambridge
2004-5	Chair Departmental Personnel Committee
2004-	Elector to the Professorship of Medical Physics, University of Cambridge
2005-	General Board Appointee on the Senior Promotions Panel for Veterinary Medicine.
2005-	Deputy Head of Department with responsibility for Finance and Resources
2005-	Chair Departmental Finance Committee
2006	Elector to the Goldsmiths Professorship of Materials Science
2006	Elector to the Professorship of Physics and the Jacksonian Professorship of Natural Philosophy
2007-	Director of WiSETI (Women in Science, Engineering and Technology Initiative)
2007-	Member University Centre Working Group

Editorial Work and Conference Organisation

1998-9	Symposium organiser on Materials Science of Food at MRS (Boston) Fall 1999 meeting.
1998-	Member Editorial Board, Polymer International
1999-01	Member Organising Committee IOM Conference Polymers 01 (Bath)
1999-	Member Advisory Board, Journal Macromolecular Science - Physics
1999-	Member Editorial Advisory Board, International Journal of Biological Macromolecules
1999-04	Founder Editor-in Chief European Physical Journal E; now International Advisor to the Editorial Board
2001-	Member Macromolecular Physics Board of the European Physical Society
2000-3	Volume Organiser for MRS Bulletin for 2003.
1999-	Member Organising Committee for Annual High Polymer Research Group Conference.
2003-5	Member Organising Committee for IOP2005, the Einstein Year Conference, plus the Programme Committee for the Physics in Biology sub-theme
2003-6	Member CU Philosophical Society Council
2006-	Member Editorial Board for Food Processing and Manufacture
2006-	Co-Chair of organising committee for Faraday Discussion (2008) on the Importance of Polymers in Biology
